REQUEST FOR INTERVIEW SUMMARY

The Office Action dated September 1, 2005 contains an incomplete identification of the "Kim" reference applied in the rejection under 35 U.S.C. § 103(a), at page 4. As a result of Applicants' numerous telephone conversations with and telephone messages from the Examiner regarding the incomplete identification of the "Kim" reference error in the Office Action dated September 1, 2005, Applicants respectfully request an Interview Summary detailing the information and assurances provided by the Examiner during the telephone conversations and telephone messages provided over the past two weeks. Specifically, Applicants respectfully request written confirmation that the Examiner will withdraw the Office Action dated September 1, 2005 in favor of a new Office Action, and that the new Office Action will be immediately forthcoming.

In addition, Applicants respectfully request that a diligent effort be made by the Examiner to locate the incorrectly identified "Kim" reference cited in the Office Action dated September 1, 2005, and to cite this "Kim" reference on a PTO-892 during prosecution of the present application in order to provide a complete prosecution record.
